

2024 Summer Session – Group Classes Available for Advancing Players

Revised: 03 July 2024

Competitive Defense (7 sessions)

Strengthening your defense is the fastest and most certain way to improve your results.

Improving Declarer Play (4 sessions)

Maximize your trick-taking capability when you are playing a contract...

Winning the Notrump Wars (3 sessions)

Better understand bidding, playing, and defending notrump contracts.

Winning the Pre-empt Wars (5 sessions)

Better understand pre-empting, responding to partner's pre-empts, and how to compete against your opponent's pre-emptive bids.

The 2/1 Game Forcing System (3 sessions)

Learn the basics of the Two-Over-One system of bidding; theory and application of the fundamental structure.

Making Sound Decisions (variable number of sessions)

Sound decisions involve observation, inference, and judgment; they are the basis of winning bridge.

Popular Conventions (variable number of sessions)

There are any number of conventions that players love; learn the ones that your partners are most likely to want you to play...

Conduct of any class is subject to minimum enrollment.
