

2023-24 Instructional Rate Schedule

Updated: 02 December 2023

Organized Classes

Organized classes, either scheduled or on demand, are based on the number of sessions.

Classes will be scheduled when a suitable venue is established.

Sessions are typically 90 minutes. All materials included.

Fees are per person. Courses are held subject to minimum enrollment.

All courses: \$20 / person / session

Customized Group Instruction

Get your group together in the same place at the same time (the hard part) and design your own curriculum. Choose from a wide range of available topics (list attached) or prescribe your own agenda. Sessions are a minimum of 90 minutes. All materials included.

Small groups (up to 4 participants): \$60 / hour / person

Larger groups (more than 4 participants): \$50 / hour / person

Individual or Partnership Instruction

Work on your personal ability or work as a partnership. Needs analysis is available.

Sessions are typically 90-120 minutes.

Individual or partnership lessons: \$80 / hour (not per person...)

Supervised Play

Supervised play consists of a group of 4 players playing a series of pre-arranged hands, often intended to reinforce a specific area of interest. Advice and counsel are provided throughout, and discussion follows each hand. Hand records are provided after each session.

Sessions are typically 120 minutes.

Rate: \$80 / hour (for the group of four)

Play to Learn

Play competitively and learn from results. Whether playing at the local club or traveling to a Sectional or Regional tournament, learning through competing is an excellent way to improve your game (and have your ego bruised...). Feedback (on at least 3-4 significant hands) provided after each session.

Local club game: \$150 per session.

Tournament rates vary, depending upon location, level of competition, and results achieved.
