

THESE OCEAN REEF PLAYERS ARE SEEKING PARTNERS...

If you are seeking a partner, call Dave (484-433-0098) to get your name added to this list. Thanks!

But if you don't have a partner, please do not let that prevent you from coming out to play. If we have unpaired players, we will form partnerships at game time, and if there is an odd number of unpaired players, the Director will always play to complete a partnership.
